Foreword

I am much delighted to contribute a foreword for the outstanding and commendable book entitled, "**Live-in Relationship in Indian Society**" written by Dr.Salim Khan. In a rapidly evolving social landscape, where traditions intersect with modernity, the concept of live-in relationships has emerged as a focal point of discussion and debate. In the Indian context, where societal norms are deeply ingrained and familial structures hold significant importance, exploring the dynamics of live-in relationships becomes not just a matter of curiosity, but of utmost relevance. "**Live-in Relationship in Indian Society**" delves into this intricate subject matter with diligence and insight. Through its comprehensive exploration across eight enlightening chapters, this book navigates the reader through the multifaceted dimensions of live-in relationships. In an era where personal choices intersect with societal norms, "**Live-in Relationship in Indian Society**" serves as an invaluable resource, offering scholars, Researcher, Students, Teachers and practitioners a nuanced understanding of a phenomenon that continues to shape the fabric of our society. With meticulous research and a balanced approach, this book is poised to become a definitive guide for anyone seeking clarity on this complex subject. As we embark on this enlightening journey through the pages of this book, we cannot find only just answers, but a deeper appreciation for the intricacies of human relationships and the ever-evolving dynamics in our society.

I express my sincere wishes to the hard working author who has made valuable contribution to the society through his scholastic approach in this book.

Prof. (Dr.) I.M. Khan
Dean Faculty of Law
CCS University, Meerut

Preface

In the diverse tapestry of Indian society, the institution of marriage has long been regarded as sacrosanct, a cornerstone of tradition and cultural identity. However, in recent decades, a new phenomenon has emerged, challenging conventional norms and reshaping the landscape of intimate relationships – the rise of live-in relationships.

"Live in Relationship in Indian Society" endeavors to explore this paradigm shift with a blend of academic rigor and societal introspection. Through a lens of cultural sensitivity and empirical analysis, this book seeks to unravel the complexities, nuances, and implications of cohabitation in the Indian context.

As the authors of this work, we embark on a journey to dissect the multifaceted dimensions of live-in relationships – from socio-cultural perceptions to legal frameworks, from familial dynamics to individual aspirations. Our aim is not only to understand this phenomenon but also to engage in a dialogue that fosters empathy, awareness, and informed decision-making.

Drawing from a rich tapestry of research, anecdotes, and lived experiences, we invite readers to traverse this intellectual terrain with an open mind and a critical eye. Whether you are an academic, a policymaker, a practitioner, or simply a curious observer of societal trends, we hope that this book will serve as a compass, guiding you through the complexities of live-in relationships in Indian society.

As we embark on this intellectual odyssey, let us remember that our ultimate quest is not merely academic enlightenment but a deeper understanding of the human experience – the intricacies of love, companionship, and the pursuit of happiness in a rapidly changing world.

Dr. Salim Khan

LL.D.

Acknowledgement

I extend my heartfelt gratitude to all those who contributed to the fruition of this book, **"Live-in Relationship in Indian Society."**

I am deeply thankful to my mentor, Prof. (Dr.) I.M. Khan, Dean Faculty of Law CCS University, Meerut, whose guidance and wisdom steered me through the intricate journey of researching and writing this book. Your invaluable insights have enriched every page.

I am also indebted to the participants of my study whose experiences and perspectives formed the bedrock of this work. Your openness and willingness to share have added depth and authenticity to the narrative.

Furthermore, I express my appreciation to my family and friends for their unwavering support and encouragement throughout this endeavor.

Last but not least, I extend my gratitude to the readers for their interest in exploring the complex terrain of live-in relationships in the Indian societal context. May this book foster understanding and dialogue on this pertinent subject.

Thank you all for being part of this journey.

Dr. Salim Khan

Being as a Convener of Moot Court Society IMS Law College has conducted many workshops relating to Moot Court, Intra-trial and has been awarded the best teacher award for in the year 2022 for his best teaching skills. Earlier this author has written the book entitled, "Laws Unveiled: A Simple Guide." The author has been given guest lectures for LL.M. Classes on different law topics on inviting by IMIRC Law College Hapur affiliated to CCS University Meerut.

ABOUT THE BOOK

The book "**Live-in Relationship in Indian Society**" explores the intricate dynamics of cohabiting unmarried couples in India. It looks at the legal, cultural, and sociological viewpoints on this increasingly common occurrence. The book explores the complexities of familial acceptance, societal shame, and individual independence through anecdotes, real-life tales, and research findings.

The journey of Indian society's attitudes regarding live-in relationships—from taboo to contemporary acceptance—will be explored by readers. The book looks at the difficulties that couples encounter, such as legal issues, familial rejection, and social judgment. It also highlights the benefits that come with living together, like companionship, support from one another, and personal development for both parties.

Through a fair and impartial depiction of the advantages and disadvantages, rights and obligations, and the emotional terrain involved, "Live-in Relationship in Indian Society" seeks to promote comprehension and discussion on this developing aspect of Indian society. It acts as a roadmap for people negotiating these kinds of relationships as well as for legislators, the general public, and others who want to redefine standards and foster an atmosphere that is more welcoming and equal.
